

20 February 2025

Dear HL Colleague

Communication to holders of DPBP Options subject to ongoing mandatory regulatory requirements in connection with the Acquisition of HL

1. Why are we writing to you?

We are writing to explain how the proposed acquisition of Hargreaves Lansdown plc (*HL*) by Harp Bidco Limited (*Bidco*) (the *Acquisition*) will affect options granted to you under the Hargreaves Lansdown plc Deferred Performance Bonus Plan which are subject to Regulatory Requirements (as defined below) (the *DPBP Options* and the *DPBP* respectively).

Due to the Regulatory Requirements, these DPBP Options will not vest and become capable of exercise early in connection with the Acquisition.

This letter is important and explains the impact of the Acquisition on your DPBP Options and what you will need to do. Please read it carefully.

This letter describes legal processes and therefore is unavoidably “technical” in nature. The Glossary at Appendix 2 is intended to help you understand some of the terms that are used in this letter. You will also find further information about the Acquisition in the Scheme Document which is available on the HL website at www.hl.co.uk/investor-relations/offer. A copy of this communication will also be available to view on HL’s website at www.hl.co.uk/investor-relations/offer.

Unless otherwise defined, terms defined in the Scheme Document shall have the same meanings in this letter.

Once the acceptance window opens on 5 March 2024, you will need to confirm your acceptance of your DPBP Phantom Award. This will not happen automatically.

Due to your status as a “material risk taker”, your DPBP Options were intended to satisfy the applicable mandatory regulatory requirements relating to deferral into shares or share-linked instruments and therefore cannot vest and be exercised early in connection with the Acquisition. Instead, immediately prior to the Court Sanction Date, your DPBP Options will be exchanged such that you will hold an equivalent cash-settled phantom award.

The acceptance window will open on **5 March 2025**. Once the window opens, please confirm your acceptance via Sharehub at <https://hl.sharehub.uk/> (for current employees) or <https://hl.sharehub.uk/Account/LogOn/> (for leavers) by **5pm on 12 March 2025 at the latest**.

If you do nothing, your DPBP Options will lapse and cease to be of any value.

2. The Acquisition

The Acquisition will be implemented by way of a court process known as a scheme of arrangement (the **Scheme**). The Scheme is a procedure that requires both the approval of HL Shareholders (which was obtained at shareholder meetings held on 14 October 2024), and sanction (i.e. approval) of the scheme by the Court, which is currently expected to take place in the first quarter of 2025 (the **Court Sanction Date**). It is currently expected that the Scheme will become effective in the first quarter of 2025 (the **Effective Date**) and at this time HL will become owned by Bidco. These dates could, however, be subject to change as they are dependent on when certain regulatory approvals are received (the timing of which is not currently known).

HL Shareholders will be entitled to receive £11.10 in cash for each HL Share they own at the Scheme Record Time (the **Offer Price**). The terms of the Acquisition are set out in full in the Scheme Document.

However, if any dividend, distribution and/or return of value, other than the 2024 Full-Year Dividend, is proposed, authorised, declared, made or paid by HL (or becomes payable by HL) in respect of HL Shares, Bidco reserves the right to reduce the cash consideration payable under the terms of the Acquisition by the amount of any such dividend, distribution and/or other return of value.

3. A reminder of your DPBP Options

Details of your outstanding DPBP Options are available to view on Sharehub at <https://hl.sharehub.uk/> (for current employees) or <https://hl.sharehub.uk/Account/LogOn/> (for leavers).

4. Impact of the Scheme on your DPBP Options

The Acquisition will impact the usual treatment of your DPBP Options. As you are (or were at the time of grant of your DPBP Options) designated as a ‘material risk taker’ (**MRT**), your DPBP Options are subject to mandatory regulatory requirements relating to deferral into shares or share-linked instruments pursuant to the Investment Firm Prudential Regime (the **Regulatory Requirements**).

Your DPBP Options are required to satisfy these Regulatory Requirements and cannot therefore vest and be exercised early in connection with the Acquisition. Instead, immediately prior to Court Sanction, your DPBP Options will be exchanged such that they will cease to be options over HL Shares and will instead be exchanged for a cash-settled phantom award (the **DPBP Phantom Award**) in order to continue to comply with the Regulatory Requirements. This exchange is referred to in this letter as the **DPBP Exchange**.

The detailed terms of the DPBP Phantom Award are set out in greater detail in Appendix 1 to this letter, but in summary the key points are as follows:

- **Units:** the DPBP Phantom Award will comprise phantom units (where one unit is equal in value to one HL Share under your existing DPBP Options) (**DPBP Phantom Units**).
- **Vesting:** the DPBP Phantom Award will vest and be settled in cash automatically (i.e. DPBP Phantom Awards will not require you to exercise them in order to receive cash) on the later of (i) the original vesting date of your DPBP Options, and (ii) the end of the relevant retention period for your DPBP Options.
- **Time pro-ration:** the DPBP Phantom Award will not be subject to time pro-ration.
- **Structure:** the DPBP Phantom Award will have a fixed value, with each DPBP Phantom Unit having a fixed value of £11.10 (i.e. the Offer Price).

- **Dividend equivalents:** your legacy DPBP Options will entitle you to dividend equivalents accrued up at the Effective Date, which would be paid in cash following the settlement of the DPBP Phantom Award. The DPBP Phantom Award will not entitle you to any dividend equivalents post-Effective Date.
- **Performance:** like your DPBP Options, the DPBP Phantom Award will not be subject to any performance conditions.
- **Leaver terms:** you will retain your DPBP Phantom Award if you leave employment with HL (unless you are dismissed for gross misconduct), which is more favourable than the current leaver terms for your DPBP Options. The DPBP Phantom Award will vest and be paid out on the usual timetable following you leaving.
- **Risk adjustment:** the DPBP Phantom Award will remain subject to usual malus and clawback requirements under the DPBP Rules and the Regulatory Requirements, and the DPBP Phantom Award will be subject to risk adjustment in line with past practice.

You will need to confirm your acceptance of the terms of the DPBP Phantom Award by ticking the relevant box via Sharehub at <https://hl.sharehub.uk/> (for current employees) or <https://hl.sharehub.uk/Account/LogOn/> (for leavers) at any time between 5 March 2025 and 5pm on 12 March 2025.

5. What if the Acquisition does not take place?

If the Acquisition does not happen for whatever reason, your DPBP Options will continue as normal, subject to the DPBP Rules.

6. What if I participate in other HL share plans?

If you participate in any other HL share plan, you will have already received a separate letter or letters in relation to those awards. Please read those letter(s) carefully.

It is also possible that you may have other options under the DPBP (or other HL share plans) which are not subject to the Regulatory Requirements and which will vest and be capable of exercise in connection with the Acquisition. If so, you will have received a separate letter or letters in relation to these options.

7. Further information

You will find some FAQs in Appendix 3 to this letter, which you should review. If, after reading these, you still have an outstanding query, please contact Howells via email (HLShareAdmin@sharehub.uk) or telephone (+44 (0)1423 812804) between 9am and 5:30pm. For legal reasons, Howells cannot give any legal, financial or tax advice.

Nothing in this letter or its appendices constitutes financial advice to any holder of HL Shares or options over HL Shares.

If there is a conflict between the information in this letter and appendices and the DPBP Rules, the Scheme Document or any relevant legislation, this letter and its appendices, the Scheme Document and the legislation will prevail.

Yours faithfully,

Hargreaves Lansdown plc

Term	Description
Valuation for Phantom Award	<ul style="list-style-type: none"> • The value of DPBP Phantom Units will reflect the value per HL Share received by HL Shareholders under the Acquisition plus the value of dividend equivalents accrued up to the Effective Date (as explained above). • The value of each DPBP Phantom Award will be frozen over the remaining deferral/retention period (subject to any reduction due to the application of malus and/or clawback / risk adjustment where applicable).

APPENDIX 3 FREQUENTLY ASKED QUESTIONS

Q1. How will I know when the Court Hearing takes place?

This will be announced on the London Stock Exchange, on HL's website and in the press. It is currently expected to occur in the first quarter of 2025.

Q2. What happens if the Scheme is never sanctioned by the Court?

In this case, there would be no effect on your DPBP Options and they would vest and become exercisable in the normal way under the DPBP Rules. The DPBP Exchange would not take effect.

Q3. When will I receive payment for my DPBP Phantom Award?

Your DPBP Phantom Units will vest and be settled automatically on the later of (i) the original vesting date of your DPBP Options, and (ii) the end of the relevant retention period for your DPBP Options.

Q4. What happens if I leave HL?

If you cease employment with HL following the DPBP Exchange, the DPBP Rules will be revised so that the DPBP Phantom Award will only lapse if you leave due to gross misconduct. If you leave HL for any other reason, you will retain your DPBP Phantom Units and they will vest and be settled in the usual way as detailed above.

This is a more favourable position than the leaver terms of your DPBP Options.

Q5. I am no longer an HL MRT. Why can't my DPBP Options be accelerated in connection with the Acquisition?

What is relevant is whether you were an MRT and subject to the Regulatory Requirements at the time of grant of the relevant DPBP Options. If your MRT status subsequently changed, then that would only change the application of the Regulatory Requirements to any DPBP Options which were granted after that time.

Q6. Why are some of my DPBP Options being exchanged and others cashed out?

Only the DPBP Options which are subject to mandatory deferral under the Regulatory Requirements will be rolled over. As noted above, your DPBP Options will only be exchanged where the Regulatory Requirements applied to you in your role as an MRT at the time the relevant DPBP Options were granted to you.

As a result, it is possible that only some of your DPBP Options will be exchanged for an DPBP Phantom Award and others will be "cashed out" in connection with the Acquisition. If that is the case, you will have received a separate letter on 11 February 2025 (available to view in Sharehub on the 'My Documents' page) which addressed the impact of the Acquisition on your remaining DPBP Options which will be cashed out.

Q7. Can I object to the DPBP Exchange and retain my DPBP Options?

It is not possible for you to retain your DPBP Options and exercise these in connection with the Acquisition, due to the Regulatory Requirements. If you do not accept the DPBP Exchange, then your DPBP Options will lapse.

Q8. What happens if I do nothing?

Once the acceptance window opens on **5 March 2025**, you will need to accept the DPBP Exchange via Sharehub **by 5pm on 12 March 2025**. If you do nothing, your DPBP Options will lapse and cease to be of any value at the point the DPBP Exchange would otherwise have occurred.

Q9. What are the tax consequences of the DPBP Exchange?

There will be no tax consequences in connection with the DPBP Exchange.

Q10. What are the tax consequences of the vesting and satisfaction of my DPBP Phantom Award (and receiving a cash payment in respect of dividend equivalents)?

This information is intended as a general guide only and applies only to participants treated as resident for tax purposes in the UK throughout the time between the date their DPBP Options were granted and the time their DPBP Phantom Award vests and is satisfied. It does not constitute tax advice to any individual participant. Tax law can and does change and you should not necessarily assume that the current tax position will continue.

Please note that none of HL, Bidco or Howells can provide you with legal, personal tax or financial advice. If you are in any doubt as to the contents of this letter or the action you should take, you are recommended to consult an independent financial adviser who, if you are taking advice in the United Kingdom, is authorised under the Financial Services and Markets Act 2000 (as amended from time to time) or, if you are taking advice outside the United Kingdom, from another appropriately authorised independent financial adviser.

a) Income tax and national insurance contributions

When your DPBP Phantom Award vests, you will have an income tax and employee national insurance contributions liability to pay as a consequence of the vesting of that DPBP Phantom Award on the cash value of the DPBP Phantom Award upon exercise (which will be deducted via payroll). This value will be £11.10 per DPBP Phantom Unit.

b) Capital gains tax (CGT)

As the entirety of your gain is subject to income tax and national insurance contributions, it is not anticipated that any CGT will arise on the satisfaction of the DPBP Phantom Award.
