ISA TRANSFER – QUESTIONS AND ANSWERS

What are my options for transferring my Stocks and Shares ISA?

You can choose from the following options:

Transfer Investments: We'll move your investments and any cash as they are. When the transfer is complete, you can buy or sell investments again.

Transfer as cash: Your provider will sell your investments and transfer as cash. You won't gain or lose from market changes until you reinvest your cash.

Transferring an ISA doesn't count towards your ISA allowance.

Are there any charges to transfer?

It's free to transfer an ISA to us but your current provider may charge an exit fee, so it's worth checking with them first.

Also, if you're transferring a fixed rate Cash ISA, remember that if you leave before the end of the term, you may have to pay a fee.

What happens if I don't select to transfer my Cash ISA immediately?

If you don't tick the option to transfer immediately we'll wait until the end of any fixed term or notice period which applies to your Cash ISA before transferring. If you're unsure please check with your current provider before transferring.

Can I transfer part of my ISA?

Usually, yes. Please check with your current provider first or call us on **0117 906 7816**. To transfer part of a holding, just enclose a signed letter of instruction with your form telling us exactly which investments you wish to transfer.

Choosing your investments

Let us know what you want to invest in, and how much.

If you're investing in funds please make sure you include both the name of the fund management company (e.g. Jupiter) and the name of your chosen fund (e.g. Global Strategic Bond).

How does the income instruction work?

Your income instruction tells us what you want us to do with any income your investments make. It applies to all investments in your ISA.

If you leave the income instruction blank we'll look at what you have told us before. If you haven't given us an instruction any income will be kept as cash in your account.

Reinvest income automatically

We'll reinvest income when it reaches £10 per holding. There's no charge for this service.

If you buy funds we'll buy accumulation units for you where possible.

Pay income out to my bank account

If you've chosen to have income paid out we'll send it to your nominated bank account on the 10th of the month, or the next working day.

If you buy funds we'll buy income units for you where possible.

Hold income as cash in my ISA

We'll hold any income in your account until you've decided what to do with it.

If you buy funds we'll buy accumulation units for you where possible.
